\$ Pat Vaillencourt and Karl Racenis mentioned fiber optic would be most beneficial to install but not an expense of the DDA.

\$ Karen Hinkley wants the board to keep a positive attitude since there is going to be a inconvenience on the downtown merchants. Stephanie Beuerle mentioned a meeting set up with the merchants and the DDA to inform them of the project. Sue asked what the impact will be on the annual chicken broil and the 4<sup>th</sup> of July fireworks. Pat was informed that MDOT will do their best to help with those days and traffic flow.
